**APWH | AMSCO Chapter 1: "From Hunter-Foragers to Settled Societies"**

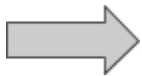

Answer the following questions, using complete sentences, your own words, and citing specific details from the reading.

**Missed something? Want to Review? Haiku!** [www.myhaikuclass.com/mswardo/apwh](http://www.myhaikuclass.com/mswardo/apwh)

**Vocab Due: Monday 8/20 (A) and Tuesday 8/21 (B)**

**Packets Due and Quiz on: Wednesday 8/22 (A) and Thursday 8/23 (B)**

(Format: Multiple Choice, Vocab, Short Answer, Map)

**BIG QUESTION:** How did human social interaction evolve beginning in the Stone Age to the earliest civilizations?  
(By the end of this chapter, you should know!)

**Part 1: Map**

1. **MAP** Label the map below using the map section of your APWH Survival Guide (this may be on the quiz).

Caribbean Islands	Latin America	North Africa	West Africa	East Africa
Central Africa	Southern Africa	East Asia	Europe	South Asia
Southeast Asia	Middle East	Oceania		

**Part 2: Reading Questions**

1. How do scholars study and come to understand history before the existence of written records? Give examples.

**MIGRATING ACROSS THE GLOBE**

2. Describe how did most humans lived between 200,000 and 12,000 years ago.

**REMEMBER - VOCAB LIST AND CARDS ARE DUE THE CLASS BEFORE THE QUIZ!**

3. How did climate change affect humans thousands of years ago?

### **THE PALEOLITHIC PERIOD**

4. When was the Paleolithic Period? What characterized this time period?

5. Describe the different ways early humans used technology to adapt to their environment.

6. Evaluate the extent of benefits humans gained from learning to control fire.

7. What social groups were typically found in the Paleolithic time period? Explain how they compare. What else connected different groups besides kinship?

8. What does it mean that Paleolithic groups were “relatively egalitarian”?

9. Describe the gender roles of early human societies.

10. How did some of the earliest religious beliefs develop during the Paleolithic time period?

### **NEOLITHIC REVOLUTION**

11. What and when was the Neolithic Revolution?

12. Where did the Neolithic Revolution happen? Did it occur at the same time in these places? Explain.

13. How did agriculture change the lifestyles of societies that were formerly hunter-foragers?
14. What were the consequences of farming concerning diet and plant diversity?
15. What were the earliest animals to be domesticated? What kind of lifestyle change did the development lead to in some groups of people? Describe this lifestyle.
16. Use the chart on pg. 7 to answer the following:
- a. Where and when were dogs first domesticated?
  - b. What (and when) two grains were domesticated early on in Asia?
  - c. When and where was sorghum domesticated?
  - d. What (and when) three crops were domesticated in the Americas?
17. How were the lifestyles of farmers and pastoralists different? What was the impact of each?
18. How did the surplus of food from agriculture begin to change early societies?
19. How important was the development of writing? How did it change societies?
20. What is social stratification?
21. What, where, and when were the earliest cities?

22. Why did governments develop? How is it connected to farming?

23. What problems often plagued early farmers?

24. How did the problems you discussed in #24 help lead to development of more complex religious ideas and traditions?

25. What are the five big technological developments from the Neolithic Revolution period?

I.

II.

III.

IV.

V.

### **THE FIRST CIVILIZATIONS**

26. What issues/problems became more apparent after the development of the first civilizations?

27. Where did the early four civilizations develop?

### **HISTORICAL PERSPECTIVES**

28. What arguments have scholars made for and against the development of farming? Cite specific details.

*What you are going to do here is answer each part of the question that follows using complete sentences and specifics. This is just practice, so do your best! Then briefly jot down a few ideas you would write about for the other SAQ question.*

Answer all parts of the question that follows. Use complete sentences and specific details. PROVE YOUR ANSWER!

2. **SAQ Prep:** Outline an answer for SAQ 1 (on page 15). You do not need to answer in complete sentences, but jot down information you would discuss (vocab/examples) so you COULD answer this question if you saw it on your quiz.
